

## xStart Motor Protectors

- Perfect for actuation by pressing or hitting;
- Common accessories, tool-less installation;
- Module design, highest level of flexibility and performance;

### Motor-protective circuit-breaker, PKZM0

- Rotary operator knob

PKZM0-10.0

Motor rating	Setting range overload release	Type designation	Artical number	Units/Pack
-	0.10-0.16A	PKZM0-0.16	072730	1/60
0.06kW	0.16-0.25A	PKZM0-0.25	072731	1/60
